$179,000 Savings Made by Water Co.

LOWER INTEREST ON BONDS REPORTED AT MEMBERS' MEETING

San Antonio Water Co. Board Reelected—Operating Costs Are Cut

Savings of $179,020 will be made as interest by the San Antonio Water Co. on the firm's outstanding indebtedness, it was reported at the annual meeting of the group in the Chaffey junior college auditorium yesterday afternoon.

The saving in interest total is largely due to the reduction of the interest rate from 6 per cent to 4 per cent and in a slight increase in the schedule of payments.

W. K. Beattie will continue to serve as president of the company as the result of the unanimous re-election of all the directors, who re-elected all the former officers.

By act of congress in July, 1935, mutual water companies were made eligible for financing through the Bank for Cooperatives. The San Antonio board immediately arranged a loan of $322,000. The company gave the bank 40 notes for $8050 each, one note maturing every six months, beginning May 1, 1936.

Under the former plan the interest payments would have totaled $311,040. The new loan matures Nov. 1, 1955, and the total interest payments will be $132,020, which makes a saving of $179,020.

As the result of the excellent rainfall during the winter of 1935, cost of operating the San Antonio Water Co. was lower than usual and the general condition of the company is excellent, according to reports submitted at the annual meeting of the group yesterday. Gravity flow of water during the past summer was more than twice that of the preceding year, resulting in a power saving of about $30,000 and a substantial rise in the water level in the Cucamonga basin, Albert C. Reynolds, manager, reported.

Usually a refund on irrigation costs is made in December but the refund for 1935 was not made until Jan. 16, when the company paid a refund of 15 2-3 cents per day inch on all water used.

Total cost of operating expenses in 1935 was $98,439.86 as compared with $131,572.07 in 1934. Cost per acre foot for operating expenses in 1935 was $7.31 as compared with $10.34 in 1934.

The printed annual report declares that the directors have adopted a resolution requiring all rental orders to be filed at the office prior to April 1 so that the schedule for the season may be made up. Orders received after that date will not be accepted if they unduly interfere with the schedule, it is pointed out.

On the board of directors besides Mr. Beattie are R. O. Price and Frank C. Buffington, vice presidents; G. A. Andreas, D. J. Cameron, John S. Armstrong and John W. Shepperson. Albert C. Reynolds will continue as secretary-manager.

Upland Students Win Places on Honor Roll

Many Upland students were included in the 57 collegians at Chaffey junior college who have been declared eligible this semester in the Chaffey chapter of Alpha Gamma Sigma, state scholarship organization. New members were installed at a dinner held last Monday in the Kampus Kitchen.

Members of this organibation are of the highest 10 per cent of the student body in scholastic rating. Selection is based upon an achievement of at least 35 quality points, a minimum grade-point ratio of 2.1 without physical education, no incompletes and no grade below a D.

Jack Atwood, James Beitzell, Russell Byerly, Miss Julia Fischer, Miss Evelyn Foote, Miss Winifred O'Brien, Miss Ople Shirley and Lester TeSelle are Upland members of the society.

Grace Moore Sings Harold Lutz's Song In Radio Hook-up

"Music Mad," a song composed by Harold Lutz, prominent young Upland singer and composer, was sung over a National Broadcasting Co. radio network last night by Grace Moore, one of the most popular singers in the nation.

Before singing it, Miss Moore commended the young Upland composer and expressed the hope that her introduction of the song would encourage the local man. She also commended the song to other artists.

Miss Moore obtained a telegraphic permission from Mr. Lutz and late Friday afternoon he learned that the song would be heard over Monday night's regular program.

The fact that Miss Moore selected the Uplander's song for her program is looked upon as an outstanding tribute to him. Because of her presentation of the song it is likely the local composer will meet with success in marketing the selection.

Mr. Lutz, who is the son of Mr. and Mrs. George Lutz, has figured prominently in musical activities here for many years. At Redlands university he also distinguished himself. Since being graduated from that university he has devoted much of his time in developing his musical abilities.

JOHN D. HOWE IS VICTIM OF CRASH

Uplander Suffers Compound Fractures of Both Legs In Euclid Accident

With compound fractures of both legs below the knee, John D. Howe will be confined for many weeks, his injuries being suffered late Saturday night when his large touring car ran into a Pacific Electric freight engine.

A new cast was placed on Mr. Howe this morning at the San Antonio Community hospital. Both of Mr. Howe's legs are in a cast and several weeks will be required for the injuries to mend.

Riding with Mr. Howe was William Reehl, formerly of Upland. Both men were thrown through the windshield by the impact. Mr. Reehl suffered minor cuts and bruises and was discharged from the hospital Sunday. His home is in Laguna Beach, he being a visitor with Mr. Howe over the week end.

The accident occurred during a heavy downpour of rain and it is believed Mr. Howe was unable to see the engine that was slowly crossing Euclid avenue. Mr. Howe was driving north on the east side of the avenue.

Rev. Arthur Ritchey To Address Meeting Of Townsend Club

The Rev. Arthur F. Ritchey, pastor of the First Christian church in Ontario, is to deliver an address before the Upland Townsend club at the meeting to be held in the Upland Woman's club house Tuesday evening, March 3. The Rev. Mr. Ritchey is a capable speaker, possessing the ability to make every word count in the expression of a definite thought, and he points his remarks with bits of humor that add to the interest of his addresses.

There also will be a special musical program arranged by Ned Francis, well known young vocalist who has had much professional experience.

Dr. Furr Will Give Final Discourse in Series on Thursday

Final address in the series of lectutres delivered at Chaffey during the past six weeks by Dr. Leonora Furr of Pomona, on "Consumer Education," will be given Thursday morning at the usual hour in Chaffey junior college building, it is announced by Mrs. Edgar Wight, president of the Chaffey High School Parent-Teacher association, the sponsoring organization.

Al Lyons Comes to Rescue of Musician At Local Hospital

Al Lyons, the orchestra leader of wide fame, guaranteed payment of a bill at the San Antonio Community hospital this morning.

"This is Al Lyons of Los Angeles," said a voice over the telephone. "I want to speak to Dr. Aita."

Manager of the local hospital was busy in the surgery preparing for a patient but it is his custom to meet all long distance calls if at all possible.

Advised of the call, Dr. A. A. Aita asked the hospital switch board operator, "What Al Lyons is that?" Dr. Aita soon found out when he talked with the distinguished leader of the group recently ending an engagement at the Cocoanut Grove, at the Ambassador hotel in Los Angeles. Mr. Lyons and his orchestra are now playing at the National Orange Show in San Bernardino.

"One of my orchestra members says he cannot practice this morning because he has to go to your hospital and make a $35 payment on an emergency case," the band leader said and added, "I will guarantee payment of that bill and I want my player to report for practice." Dr. Aita accepted the guarantee.

Carroll K. Londoner, Los Angeles, was the musician concerned in the case. Mrs. Londoner was brought to the local hospital last night for emergency attention. She was entered as a patient on condition that payment on her account be made today.

Ferdinand Jebens Called by Death; Funeral Is Held

Succumbing to a brief illness, Ferdinand Jebens, of 689 Pine street, died at 11 o'clock Sunday morning in the San Antonio Community hospital.

Mr. Jebens, a retired farmer, was 78 years old and was a native of Germany.

Surviving Mr. Jebens are his wife, a daughter, Mrs. Kirk Calvert, both of Upland, and two sons, Andrew and Carl Jebens, both of Wyoming. The two sons visited their father a week ago, spending several days with him.

Funeral service was held at 2 o'clock this afternoon at the Stone funeral chapel, with the Rev. E. E. Brideweser, pastor of the Ontario Lutheran church, being the minister in charge. Interment was made in Bellevue cemetery.

CHAFFEY STUDENTS PREPARE COURSES

Four-Year Study Plan Will Be Checked This Week by Mrs. Mehl

Registration of Chaffey high school freshmen, sophomores and juniors for the school year of 1936-37 will take place in advisers' periods Wednesday and Friday of this week. At this time a verification of the four year curricula for which they registered as incoming freshmen will be checked, according to Mrs. Susan B. Mehl, dean of girls, who is in charge of the work.

This is the fourth year in which Chaffey high school has used this system by which incoming freshmen pre-register for their complete high school curriculum and verify their course and check their progress in it each spring.

According to Dean Mehl, this system helps to eliminate haphazard courses, so that when the student becomes a senior, he has the necessary requirements for graduation. Changes in a student's curriculum are allowed, if necessary, after the request for it has been signed by the student, approved by the parents and one of the administrative heads.

Pre-registration of incoming freshmen will take place this spring, under the direction of Dean Mehl and Principal Fischer, at the different junior high schools in the district from which Chaffey students come. At each of these places the administrators will explain the curricula to the incoming students of the school year 1936-37. They will also meet with the parents in a discussion of the problems of registration.

Million Dollars In WPA Work Likely If Plan Continues

Chaffey Judgers Win Orange Show Contest

Three Chaffey citrus judges won the national orange show contest at San Bernardino Saturday, the win being the first one in five years for the local school. On the team are Elmer Tate, Hoyt Houchen and Emil Fietz. Nineteen other schools were in the contest.

Charles A. Perrin and Harry Alter, faculty members, coached the team.

Silver Link Rebekah Lodge Meets Friday

Silver Link Rebekah lodge will meet in regular session Friday evening at 7:30 in the I. O. O. F. hall, it is announced by the noble grand, Mrs. Harold B. Anderson.

The meeting will be preceded by a contributed dish dinner.

WPA CURTAILMENT IN UPLAND SEEN

Transportation of Men Here From San Bernardino To Be Reduced

Gradual curtailment of WPA projects in Upland is seen in the plan to discontinue transportation of WPA workers from San Bernardino to this district. Approximately 300 men from the county seat are being brought here daily to work on the many WPA projects.

Instead of placing the men on West End projects, the county seat residents will be assigned work on a newly approved forestry project, according to Ralph Smith, district WPA director.

Upland city officials have been experiencing considerable difficulty in getting enough WPA workers for the local projects and the new policy in San Bernardino is likely to further curtail the number of men available for local work.

"The termination of use of men from San Bernardino on projects in the west end of the county will be effected gradually," Mr. Smith is quoted as saying. "There will not be any shut down or reduction of operations on the projects to release the workers for transfer to forest jobs so that none of the improvement programs will suffer because of the change."

SUMMARY GIVEN OF JOBS UNDERWAY OR PLANNED FOR CITY

Business Men's Meeting Is Featured by Talks on City and Citrus

Huge scope of the WPA improvements underway in Upland and the importance of the citrus industry to the community were stressed at a meeting of business men and others in the Upland Inn last night.

Nineteen different projects costing $498,233 have either been completed, are being completed or money is available for their completion, Richard G. Manley, city service manager, declared. Of this sum the city has been obligated in the amount of $45,715.

Four other jobs have presidential approval and only a detail is necessary before the money is made available. Total cost of these four projects will be $94,365, of which the city will have to pay $18,832. Ten other projects have been filed, these to cost $98,003 and the city is to be obligated to the extent of only $500.

WPA projects, present and contemplated, in the city will cost $1,453,478. Of this sum local taxpayers will have to pay direct $65,047.

Mr. Manley summarized the projects with the aid of a chart which listed in detail the description of the project, the total cost, the amount to be paid by the government and the city.

Another outstanding feature of the meeting was the discussion by L. R. Bradley, manager of the Upland Lemon Growers associaiton, in which he pointed out that the average daily pay roll by the citrus industry in Upland is approximately $3,000.

The organization sponsoring the meeting was the business men's division of the Upland chamber of commerce. Representatives of many local firms, five members of the junior high school faculty, Dr. C. B. Taylor of the San Antonio Heights Community league and others were in attendance.

In the business meeting it was decided to collect 50 cents a month from each firm, the money to be placed in a fund for decorating the city at Christmas time. A. T. Kinney of the Upland Furniture Co.

Golden Wedding Is Celebrated by Mr. and Mrs. Jacob Teuscher

A golden mile post that marked an important place for them on life's highway has been reached by Mr. and Mrs. Jacob Teuscher, 452 Campus avenue, and on Sunday they happily celebrated their fiftieth wedding anniversary.

An elaborate turkey dinner was served at noon, the golden wedding motif being used in the floral decorations and appointments for the table.

Centering the table was a handsome wedding cake, decorated with a golden wedding bell and a golden good luck horseshoe. The cake was a gift from Mr. and Mrs. Edward Barksdale of Culver City, friends of the Teuschers.

Attending the dinner, besides Mr. and Mrs. Teuscher, were their three sons-in-law and daughters, Mr. and Mrs. W. B. Kronen of Upland, Mr. and Mrs. Milton Johnson and Mr. and Mrs. Earl Daniels of Los Angeles, and their son, William Teuscher, and his children, Billy and Helen, of Claremont, and a son and daughter-in-law, Mr. and Mrs. Joseph Teuscher of Upland, and a longtime friend of the family, Mrs. Ethel Kruger of Los Angeles.

Mr. and Mrs. Teuscher received many beautiful gifts, among them being a golden chimes clock presented by the members of their family. There also were many flowers, one huge basket of blossoms being a gift from the Missionary society of the Mennonite church and another basket being sent by the Welfare class of the Sunday school. There also were bouquets from many individuals and numerous handsome greeting cards.

In the afternoon a number of friends called and still others came in Monday to continue the celebration and extend congratulations.

In reviewing the celebration of her golden wedding, Mrs. Teuscher found pleasure in recalling events of those early years that led up to the first wedding in 1886.

Mrs. Teuscher was born and reared on a farm near Metamora, Ill. When she was 18 years old her parents moved to Milford, Seward county, Neb. Mr. Teuscher was born in Koenig, Germany, and came to America in his early years, locating in Nebraska. He and Mrs. Teuscher were married at Milford and made their home in that agricultural district, where their children were born.

Eighteen years ago Mr. and Mrs. Teuscher purchased a round trip ticket and came to Upland for a visit. The return ticket was never used. So well did they like California, and Upland in particular, that they purchased a home and ranch property and Mr. Teuscher became a successful citrus grower.

Twice since then they have returned to Nebraska to visit, and six years ago they made a tour of Europe and visited Mr. Teuscher's boyhood home in Germany.

Ray Riley's Talk on Taxation" To Get Attention of Many

With Ray L. Riley, state controller, as the speaker and with "Taxation" as the subject, an interesting and profitable meeting is expected to be held in the Chaffey junior college auditorium March 6. Mr. Riley's address and appearance here is being sponsored jointly by the chamber of commerce and the Ontario-Upland unit of the Farm Bureau.

In close touch with state finances for many years, Mr. Riley's address is expected to be filled with many points of interest to the general public in the Chaffey district. Citrus growers and others are being urged to plan to attend the meeting.

Mr. Riley's home is in Colton. He is a former county supervisor and his appearance here will be more or less in the nature of a "home coming" for the distinguished state official and one-time candidate for governor.

J. H. Siegrist, president of the chamber of commerce, Frank C. Buffington, president of the Farm Bureau unit, and R. O. Price, president of the County Farm Bureau, will be in charge of the meeting. An open forum will be held after Mr. Riley's address.

Mr. Riley was obtained to speak here because of his wide knowledge of the state situation and because of the interest local people have here in the taxation problem.

Bud Taylor Is First In Red Hill Series

Bud Taylor is today the champion golfer of Red Hill Country club. He is the only one who was undefeated during the elimination series and in the final match he outshot Clifford Little 4 and 3. Taylor has won the title in former years and his defeat of Little is an indication of his outstanding ability as a golfer.

Taylor won distinction only a few weeks ago at a Palm Springs tourney by winning over many of the southland's best golfers.

The final match Sunday ended the championship series that started early in the year.

St. Mark's Service On Ash Wednesday

Tomorrow being Ash Wednesday, the first day of Lent, there will be services at St. Mark's Episcopal church at 11 a. m. and at 7:30 p. m., it is announced by the rector, Dr. Bert Foster.

DISTRICT HEAD VISITS ROTARY

George MacLellan, Santa Barbara, Meets Committee Heads—Addresses Club

George MacLellan of Santa Barbara, president of the Second district of Rotary International, paid a visit to the Upland club today. This morning at 11 o'clock Mr. MacLellan met with the chairmen of the various committees of the local club, reviewing the activities of the present year and advising with them. At noon he addressed the club in their weekly session at the Upland Inn.

Mr. MacLellan proved one of the most interesting and inspirational speakers numbered among the district governors in some years. Significant among many excellent thoughts expressed by him was that we will never stop war with diplomats, but that Rotary and similar organizations are doing more toward that goal than any other means. Rotary, he stated, has more than 165,000 members and clubs are located in 78 different countries. Some clubs have many different nationalities on their roll. These men meet with common aspirations and learn to understand each other's problems—in international and district meetings and as individual members meet in different nations throughout the world. "War is the most senseless thing man ever paid for," said Mr. MacLellan, and mutual understanding between citizens of the nations is the means by which it may be averted.

The meeting was in charge of President Don Palmer, who also introduced the speaker.

Officials Are Mum About Candidacy

Ontario Chamber May Be Formed Again, Is Report

Reports from various Ontario civic leaders today were to the effect that "pretty soon" steps will be taken to start a new chamber of commerce. Feb. 1 marked the dissolution of the Ontario chamber and the retirement as secretary of Ben W. Spencer. Lack of support by the business firms was given as reason for the dissolution.

"Some thought the best plan would be to curtail operations rather than dissolve entirely," one spokeman said today. "The majority of those concerned, however, apparently thought it best to dissolve entirely and then start over again later."

The usual inquiries that always come to a chamber of commerce are now being handled by various individuals.

Just what steps will be taken when the new organization is started is not known but it is understood the directors of the defunct organization may be the nucleus in the new chamber. It is the belief of some that reorganization steps will not be taken for several months.

In Southern California chambers of commerce are usually very flourishing and Ontario has been the object of comment by leaders in other cities.

LOCAL FRUIT WINS IN ORANGE SHOW

Etiwanda Men, Upland Mutual Groves, Cucamonga Association Get Awards

Upland Mutual Groves, the Etiwanda Service club, various Etiwanda individuals and the Cucamonga Citrus association were among the winners in the district in the National Orange show citrus display contests. T. E. Anderson, Lindsay, brother of J. Fred Anderson of Upland, was a winner in many entries.

The Cucamonga Citrus association was third in the grand sweepstakes contest with 40 boxes of Washington Navels.

O. H. Price of Etiwanda won third with best eight boxes of Navels entered by grower and first in the growers' sweepstakes with the best 24 boxes of lemons entered by a grower.

The Etiwanda Service club won the following: First with best four boxes sweets in orange division; first with best four boxes seedlings; third with best commercial pack on one box Navels; third with best tray 12 Navels; third with artistic rack display of lemons, 40 boxes or more, and third with best commercial pack of one box of lemons.

Upland Mutual Groves won the lemon grand sweepstakes with best 40 boxes and the local citrus association was also first with best tray of 12 lemons.

N. D. Hickcox, Etiwanda, won first and R. S. Jones, Etiwanda, won second with the best eight boxes of lemons entered by grower.

Mrs. Tyler Elected President Bethany Union Ladies Aid

Mrs. William Tyler was elected president of Bethany Union Ladies Aid society at a meeting held Friday at the home of Mrs. C. B. Mattox, 653 East Ninth street, the meeting being held there because of the damage done to the church by the recent flood.

Mrs. Tyler succeeds Mrs. J. I. Countryman, who served efficiently as president for the past two years.

Other officers elected were Mrs. Alfred Wiebe, first vice-president; Mrs. Andrew C. Millard, second vice-president; Mrs. Robert Coates, secretary, and Mrs. Paul Whyborn, treasurer (re-elected).

The meeting was conducted by Mrs. Countryman, with Mrs. Fred Ranz leading the devotional service.

Besides the routine, annual reports were made by the officers and committee chairmen.

A contributed luncheon was served at the noon hour and a social afternoon was enjoyed.

TERMS OF ANDREAS, M'QUILLEN EXPIRE; PLANS UNCERTAIN

March 15 Final Day for Candidates to File to Get on April 14 Ballot

None of the city officials whose terms expire have as yet announced themselves as candidates for reelection in the April 14 balloting.

P. H. McQuillen and Godfrey A. Andreas, city councilmen, whose terms expire this spring, today said they had not as yet decided about their plans. For eight years Mr. McQuillen has been very active as a city councilman, and during his tenure of office the vast program of unemployment relief and the various work projects have been administered.

As mayor, he is in the midst of details concerning development of the park project and the other WPA activities here. Every day he is interrupted in his business to give attention to city problems. If he does allow his name to go on the ballot it would be only with the idea of aiding in the completion of the improvement program now underway, he indicated.

Mr. Andreas said he would come to a decision about the city election within a few days. He is also assemblyman from this district, his term expiring this fall. He indicated his decision concerning the city council position might be influenced by plans of prominent Democratic politicians in the assembly and the U. S. Congressional districts.

Terms of Ernest C. Mehl, city clerk, and Owen E. Atwood, city treasurer, also expire this spring. Mr. Mehl recently has been serving the city both as city clerk and chief of police. The city clerk position formerly paid $60 a month, but a proposed ordinance will reduce the salary to $10 a month.

In recent years there have been quite heated contests for city council positions but so far no candidates—other than the two present councilmen—have been mentioned for the balloting in April. Candidates must file by March 15 to qualify for having their names placed on the ballot.

Syud Hossain Speaks At Chaffey Thursday

Syud Hossain, said by many to be one of the most brilliant lecturers on the American platform today, will appear at Chaffey junior college Feb. 27, at 8:00 p. m. as the fifth speaker in the series of contemporary problems lectures, "Change." Mr. Hossain will discuss the problem, "Must Modern Industrialism Change in the Interests of World Peace?"

The speaker is well known as he has appeared several times before Chaffey audiences where his outstanding success warranted his return. At present he is a lecturer in History of Civilization at the University of Southern California, where he is known as an author, scholar, world traveler, and educator in three continents.

Mr. Hossain has made one of the most brilliant journalistic careers of the age. He is a foremost authority on the economic and cultural relations between the East and the West. He has had many years of educational experience in Asia, Europe and America, and presents first-hand knowledge of the problems of the day. He is the only man on the American lecture platform who has the distinction of having been educated in three continents.

Chaffey Tracksters To Run on Saturday

Chaffey high school will have a strong team in the annual Orange show relay at San Bernardino Saturday. Thirty southland prep schools will have teams seeking to win cups and other awards.

The Tigers are among the strongest contenders for honors and Coach W. H. Kegley will enter one of the best teams in recent years.

New Deal Spending

Representative Bernard Snell of New York, minority leader of the House of Representatives, recently gave the country some idea of the New Deal spending orgy which has been going on for several years and from which there is apparently to be no relief under the Roosevelt administration.

Mr. Snell pointed out that from President Washington to President Taft the total government expenditures were only 24 and a half billion dollars, this taking in the entire peace and war expenditures of 124 years, including the building of the Panama canal. In contrast to this, in less than three and a half years under the Roosevelt New Deal administration there has been appropriated the vast sum of 25 billion, 665 million dollars—a billion dollars more than the country spent in 124 years.

Is it any wonder that the public debt reached the all time high of 30 billion, 504 million dollars—and that Secretary Mongantheau says it will reach 36 and one-half billions in 1937?

Representative Snell points out why, in spite of increased revenues, the daily treasury statement continues to show such an appalling increase. Relief expenditures have decreased, but general expenditures increased 385 million dollars during the first seven months of this fiscal year—making the deficit for this period alone two billion, 108 million dollars.

In spite of promised economy there have been added to the New Deal's payroll 252 thousand persons—and Mr. Snell notes that "this huge political army alone is costing nearly 500 million dollars a year, in spite of the election pledges of economies of 25 per cent."

It is pointed out that there are still 10 million unemployed, 20 million on relief—and crack-pot schemes to get rid of two dollars for every dollar of government revenue.

In concluding Representative Snell said:

"Crushing taxes are sure to follow, taxes which everybody must pay, to make up for the New Deal's careless waste of borrowed money. If this New Deal spending is continued, without tax increases, our alternative is inflation of the currency. Remember what this did to the German mark? Well, it impoverished the entire nation when it go to the point where a billion marks would not purchase a loaf of bread.

"This question of expenditures and public debt is your problem. The people of the United States should realize to the full just what this continued and reckless spending will mean to their children and their children's children."

The annual National Orange Show is i nprogress at San Bernardino. As usual, it is beautiful and entrancing. There is much entertainment and many novel features. This year an added feature is the hippodrome, when an excellent orchestra plays and many novel and interesting acts are staged each afternoon and evening. But the greatest feature of the show is the advertising it gives the citrus industry of Southern California. Each winter thousands of tourists from othe rparts of the nation make the National Orange Show one of their objectives—and in many instances there is created in them a desire to move to this glorious clime, own a home in an orange grove and enjoy life in unsurpassed surroundings. It is true that climate brings thousands to California—and it is equally true that oranges bring many others. There is that desire of from the tree. Many attracted here by the orange lead a semi-every visitor to the Southland to pick ripe, golden oranges retired life among ideal surroundings of climate and scenery with an orange grove the setting for their home. What could be more ideal in this world?

There continues to be a great deal of criticism of the parole system—but perhaps it is not the system to be blamed. The trouble lies in the fact that too many hardened criminals get paroles and many dastardly and shocking crimes are committed by them. The ordinary individual wonders just what influence is brought to bear upon officials who parole such convicts. The seasoned and hardened criminal is the wrong one to let loose—why not more of the first offenders who commit minor offenses?

For a considerable length of time it was generally believed that the lavish spending of federal funds was priming the political pump to such an extent that the reelection of President Roosevelt was assured—but now it seems to have reached the stage where the carburetor has been flooded. Husbands Entertained By Round Table Club Members

Entertaining with a special social event for their husbands, members of the Round Table club, who usually meet for an afternoon of interesting study, enjoyed a delightful bridge party last evening at the home of Mr. and Mrs. Don E. Vowles, 506 Laurel avenue, Mrs. Vowles and Mrs. C. P. Wilson being co-hostesses.

Quantities of spring flowers brightened the rooms and a delectable buffet supper was served. The remainder of the evening was spent about the bridge tables.

Attending the party were Mr. and Mrs. Fred G. Fallis, Mr. and Mrs. Harry I. deBerard, Mr. and Mrs. T. C. Hardy, Mr. and Mrs. H. E. Barber, Mr. and Mrs. F. L. Allen, Mr. and Mrs. T. R. Cummins, Mr. and Mrs. A. L. Davenport, Mr. and Mrs. S. H. Gardner, Mr. and Mrs E. R. King, Mr. and Mrs. C. L. Lampkin, Mr. and Mrs. Glenn Moore, Mr. and Mrs. A. M. deBerard, Mrs. Florence Steinman, Mrs. Wm. W. Majors, Mrs. C. P. Wilson, and Mr. and Mrs. Don E. Vowles.

Miss Seaman Speaker At Women's Clubs Board Meeting

During a day replete with important business and interesting discussions, Miss Josephine Seaman of LaJolla, junior past president of the California Federation of Women's clubs, was the featured speaker at the board meeting of the San Bernardino County Federation held Friday in the Ontario Woman's club house with approximately 125 club women present.

Mrs. George S. Foster of Alta Loma, county president, opened the morning session at 10 o'clock with the usual ceremony, and Mrs. Milton L. Chapman, president of the Ontario club, extended a cordial welcome, with response being made by Mrs. S. H. Gardner of Ontario, county vice-president.

Mrs. John Stewart of Hemet, Southern district president, was presented and spoke for a time of the various activities being carried on by the clubs in the district, giving particular attention to the work of the club at Needles.

Mrs. Stewart urged that all annual reports be sent in immediately after the spring elections. She also called attention to California's conservation week beginning March 7, and she urged that clubs take up tree planting projects. Each club also was urged to contribute to the foundation fund.

The treasurer's report showed that all county club dues are paid.

Mrs. Foster announced the resignation of Mrs. V. H. Wilson of Upland from the public health chairmanship and named Mrs. Blanche M. Loch, also of Upland, to succeed her. She also named Mrs. Sarah Switzer of Twin Peaks to fill the vacancy made by the resignation of Mrs. Lawrence Karson of Sky Forest, chairman of conservation of national resources.

First reading of the proposed amendments to the county constitution was given by Mrs. H. J. Wilder, substituting for Mrs. Geo. H. Bunnell of Redlands, who is very ill. Vote on the changes will be held at the April meeting in Adelanto.

Three-minute reports of the work of their clubs were given by the 14 club presidents in attendance.

Mrs. Francis S. Wagner of Alta Loma, county garden chairman, conducted an interesting forum on gardens, with several very instructive talks being made and unusual ideas presented.

Two district chairmen, Mrs. Collis Lovely of Del Mar, motion pictures, and Mrs. E. C. Cheel of Ontario, industrial relations, were introduced and spoke briefly.

During the luncheon hour Mrs. Lovely spoke at length on better motion picture activities.

Opening the afternoon program the Chaffey high school girls glee club sang three enjoyable selections and Mrs. Grace Y. Hudson of Los Angeles, state chairman of community contacts, spoke of her work.

The remainder of the afternoon was given over to Miss Seaman's address on "Women Face the World," in which she stressed the real significance of the vast work done by women's organizations. She reviewed the history of the women's club movement and showed how through their united and coordinated effort women have aided in bettering civic life of the community, have influenced educational trends and government activities, and accomplished many other important things.

Miss Seaman is a charming woman and an able speaker and her address was greatly enjoyed.

A large number from the Upland Woman's club were in attendance.

Country Club Dance Largely Attended

The Red Hill Country club dance held Saturday evening in the club house, drew an attendance of 100 members and guests and proved a delightful occasion.

Several dinner parties preceded the dancing, the hosts being Mr. and Mrs. B. L. Bergstrom, Mr. and Mrs. H. M. Shattuck, Mr. and Mrs.

As-You-Like-It Club Enjoys Meeting at Miss Hart's Home

With Miss Sinabel Hart and Miss Bertha Palmer as co-hostesses, members of the As-You-Like-It study club enjoyed a delightful luncheon and interesting program when they met Saturday at the home of Miss Hart, 775 First avenue.

The program followed the luncheon, with Mrs. W. H. Andrews giving the current events, which she made unusually interesting.

The literature lesson concerned several poets of the early nineteenth century and was presented by Mrs. C. K. Francisco, who gave a short biography of each author, and Mrs. H. W. Hawkinson, who read and discussed poems written by each one.

The city of Seattle was the object of the travelogue given by Mrs. V. H. Wilson, who told of the settlement of the city in the early Indian days and of its remarkable growth. The geographic location of the city also was described and a picture drawn of its natural scenic setting.

Attending the meeting were Mrs. H. W. Hawkinson, Mrs. Leon Durham, Mrs. Mary Eckerman, Mrs. Frank M. Baxter, Mrs. M. E. Titus, Mrs. W. H. Andrews, Mrs. Lansing T. Vedder, Mrs. V. H. Wilson, Mrs. C. K. Francisco, Mrs. Ashby Powell, Mrs. Etta Johnston and her aunt, Mrs. Clara Engle of Los Angeles; Miss Myrtle Owen, guest of Mrs. Hawkinson; Mrs. E. A. Magill and the hostesses, Miss Hart and Miss Palmer.

Friends Entertained By Mrs. Cutler

A group of friends had the privilege of spending a pleasant evening Saturday with Mrs. Julia J. Cutler when she entertained at her home, 1108 East Ninth street.

The greater portion of the evening was spent playing bridge and at the close of the tourney, Mrs. Cutler served a tempting collation, the patriotic motif being used in the table decorations and small flags marking the places.

Mrs. Cutler's guests were Mrs. W. M. Stevens, Mrs. G. B. McGehee, Mrs. Ralph Dark, Mrs. Sadie Benner, Mrs. Rose Burwell and her son-in-law and daughter, Mr. and Mrs. W. K. Clapp.

Veeder South, and Miss Clara Lou Nisbet.

Others came in later for the evening of dancing and music was provided by Spalding's orchestra.

Pan-Hellenic Benefit Fashion Show and Bridge Saturday

Combining a delightful social event and a project well worth the support of all citizens, the Pan-Hellenic society of the Chaffey district is sponsoring a bridge tea and fashion show as a benefit for its student loan fund, the event to occur Saturday afternoon, Feb. 29, in the Upland Woman's club house.

The club house is to be transformed into a replica of Palm Springs, the desert motif being used in all decorations and appointments.

The fashion show is expected to be the outstanding feature of the afternoon and the latest styles in milady's wardrobe will be cleverly displayed by a number of charming models, including Miss Emily Marr, Miss Dorothy Eells, Miss Jean Williams, Miss Betty Cox, Miss Jean Holbrook, Miss Maxine Edland, Miss Gertrude Plasman, Miss Evelyn Knight, Miss Katherine Mack, Mrs. Gene Minter, Mrs. Margaret Ingalls and Miss Imogene Myers.

Mrs. Willard E. Baier is general chairman of arrangements and also is serving with Mrs. John Maurer on the finance committee. Mrs. Robert Allen is in charge of fashion show, Miss Ludelle Allen, tables; Miss Emily Marr, tallies and bridge games; Mrs. Robert Reese, Mrs. Don E. Gidley and Mrs. Walter Hall, tea and decorations; Miss Betty Cox, publicity; Miss Lucille Todd, models, and Miss Margaret Harris, music.

Various awards will be made, including door prizes, bridge scores, etc.

Reservations may be made with Mrs. Baier, Ontario 927-J, or Mrs. Maurer, Ontario 749-W. In order that arrangements may be completed, no cancellation may be made after tonight.

Membership in Pan-Hellenic is granted to women who are members of more than 20 national social sororities that are included in the National Pan-Hellenic Congress.

Since 1924 the local society has maintained a scholarship loan fund, operated under the direction of Mrs. Arthur deBerard, for the benefit of Chaffey students who need financial assistance in continuing their education.

At present more than $2,000 of this fund is now being used by students, who otherwise could not have continued their school work.

This Pan-Hellenic fund has been used to send students to University of California at Los Angeles, University of Southern California, the universities of California, Oregon and Washington, Pomona college, San Diego State Teachers college, LeVerne college, Riverside Library school, and others.

It is for the purpose of maintaining this fund that the benefit bridge and fashion show are being given.

A severe earth shock was felt Sunday afternoon by residents here. The shock was very brief but was very definite, causing dishes to rattle.

Mr. and Mrs. Dan Steiner of Pratum, Ore., have arrived in Upland to visit for several weeks with relatives here. Mr. Steiner is an uncle of Mrs. C. U. Widmer of San Antonio avenue and Mrs. Martha Steiner of First avenue.

Paul Leos, Chaffey high school student, won second place in the first annual American Legion essay contest on Americanism. He spoke at the county finals in Colton Friday night on the subject, "Have the Promises of the Preamble Been Fulfilled?" Mr. Leos won the elimination contest at Chaffey for the right to enter the finals.

Samuel Long of Moravia, Iowa, who is spending some time in Southern California, is visiting his cousin, Mrs. Herbert Hall, and Mr. Hall, 404 Ninth avenue, and several Moravia friends residing in Upland, including Mrs. W. H. Tuttle and Mr. and Mrs. H. M. Tuttle. Saturday evening Mrs. Hall was hostess at a dinner given in Mr. Long's honor, and Mrs. W. H. Tuttle was a guest. Mrs. Hall recently returned from a few weeks visit in Moravia.

Mr. and Mrs. Edgar Wight, Ontario, left today for San Francisco, where they will attend a convention, visit the wholesale jewelers and visit their daughter, Dorothy, a junior at the University of California. Mr. Wight has been chosen by the Old Baldy chapter of the California Retail Jewelers association as a delegate to the association's state convention to be held in the Bay district this week. They are combining the convention trip with a business and pleasure trip.

Demonstration Will Be of Interest to Many

Of interest to many women in the district will be the free exhibition of ABC washers and ironers at the J. H. Siegrist store Wednesday and Thursday. Shown above is the specially designed truck that will bring the exhibition equipment to the local store.

Mr. Siegrist is inviting all women in the district to visit the store and "to bring some washing or ironing." The ABC appliances are highly recommended by the local dealer and wide interest is expected in the exhibition. The appliances will be demonstrated in the mornings and afternoons.

Free prizes will be given to winners of a guessing contest held in connection with the demonstration.

Mr. and Mrs. H. G. Smith, 92 West Arrow highway, enjoyed a surprise visit over the week end from their son-in-law and daughter, Mr. and Mrs. W. Merle Rash of Flagstag, Ariz.

Mrs. W. F. Kitchell was removed to her home on Euclid avenue yesterday from the San Antonio Community hospital, where she had been for several days for medical attention.

Chaffey high school and junior college is going to get a new grand stand as the result of the approval of a WPA project. The grandstand had been contemplated by Chaffey officials as part of the improvement of the athletic field.

Mr. and Mrs. W. D. Leach of Vista drive, San Antonio Heights, are the parents of a son born at the San Antonio Community hospital Sunday evening. Mr. and Mrs. J. L. Beatty, Claremont, are also the parents of a son born at the hospital yesterday.

Rev. J. Auracher of Des Moines, Iowa, was a visitor at the Walter W. Horah home on Sunday, he leaving that evening for his home after being in Southern California for some time. The visitor and the local family were friends when the Horaks resided in Des Moines.

Mrs. Annie Youngstrom returned Saturday to her home, 254 Laurel avenue, after spending a week with her daughter, Miss Eleanor Youngstrom, a teacher in the Laguna Beach schools. Mrs. Youngstrom was accompanied home by her daughter and Miss Alberta Patterson, also a teacher, who spent the week end here.

J. C. Landgraf, 708 Second avenue, has been confined to his home most of the time for the past two weeks, suffering with a badly infected leg. A small bruise on his leg just above the ankle was the cause of the trouble and the infection advanced to the stage of blood poisoning before it was realized there was danger. Mr. Landgraf is now improving and he will be pleased to see any of his friends who call.

Mr. and Mrs. George Tyler, son and daughter-in-law of Mr. and Mrs. W. C. Tyler of Pine street, have moved to Fullerton and are located at 504 South Highland avenue. Mr. Tyler, who is a successful salesman for the Glesby Milling Co. of Monrovia, recently was transferred to the Fullerton territory, the change being in the nature of a promotion. Mr. and Mrs. Tyler have a large circle of friends who will greatly miss them from their social circles.

Mrs. John S. Thomas, 133 Bonita court, is recovering from injuries she suffered when the motor car she was riding in turned over while coming down the San Antonio canyon road. The car was a new one, being tested out with Mr. Thomas at the wheel. The car got beyond control about a mile north of the "Y" in the mountain highway and running into soft gravel it turned over. Mrs. Thomas suffered a back injury, fracture of two ribs and a number of cuts and bruises.

Pomona and Chino Odd Fellows Will Be Guests Tonight

Upland Odd Fellows will be hosts tonight to members of the Chino and Pomona lodges when the regular meeting is held in the lodge hall in the I. O. O. F. building.

A contributed dish dinner will be held at 6:30, with a short business session following. During the remainder of the evening a smoker, baseball game and cards will provide entertainment and late in the evening refreshments will be served.

A large number of members of the local lodge went to Pomona Friday and attended the disthict meeting held there.

54,026 Vehicles in County Net $69,913 As Taxes for Roads

San Bernardino county, with a total of 54,026 motor vehicles registered in 1935, received $69,913.74 for local road building and maintenance.

The value of each vehicle registered in terms of road development here amounts to $1.29.

Varied Program Is Given at All-Day W.C.T.U. Gathering

Featured by a program honoring Frances E. Willard, the regular meeting of the Upland Woman's Christian Temperance Union was held Friday at the home of Mrs. Sparks on East Twenty-fourth street, and the day was filled with interesting activities.

Mrs. Ralph H. Marr conducted the routine business session in the morning and a number of reports were made by committee chairmen and officials, including one by the treasurer, Mrs. W. J. Bryden, stating the union has sent in $7 to the Frances E. Willard centenary fund, and now has on hand $43.78.

Among the communications read was one from the county director of legislation urging each member to write first to the congressional committees in charge concerning the Guyer bill and then to communicate with the local congressional district representative, Sam L. Collins.

Mrs. Marr gave a report on the very successful tea held on the occasion of the visit of Mrs. Anna Ranck, state director of temperance and missions, and of the evening meeting when Mrs. Eva C. Wheeler, state president, was the speaker.

Following the contributed dish luncheon, the afternoon session was called and Mrs. Lucy Wilhoite conducted a devotional service, which included responsive readings of Bible quotations concerning temperance by Mrs. Sparks and Miss Lillian Williams.

Directed by Mrs. Marr, current events were given by the members and created interesting discussion.

A program on Christian Citizenship was presented by Mrs. Wilhoite and Mrs. W. K. Keown, county and local chairmen, respectively, and later it was voted to devote 10 minutes at each meeting to the study of Christian citizenship, legislation and parliamentary procedure, the questions and answers being prepared in advance.

The program honoring Frances E. Willard was presented by Mrs. Marr, Mrs. E. C. Chapman and Mrs. Gertrude Smith, each giving interesting information concerning her life, her character and her work.

The next meeting of the union will be held at the home of Mrs. T. E. Ketcheson.

Funeral Rites for George W. Schlecht Monday Afternoon

Bringing to a close a long illness, death summoned George W. Schlecht of 549 First avenue, at 10 o'clock Friday night, Feb. 21.

Mr. Schlecht was 47 years old and was a native of Bloomington, Ill. Before coming to Upland nine years ago, he made his home in Elkhart, Ind., and was an expert auto mechanic. He had been in ill health most of the time since coming to Upland.

Surviving Mr. Schlecht are his wife, Mrs. Lula M. Schlecht, and a son, Richard; a sister, Mrs. Jennie Case of LaOtto, Ind., and two brothers, Frank Schlecht in Illinois and Thomas Schlecht in Indiana.

Mr. Schlect was a member of the Upland Methodist church, and the pastor of that church, the Rev. Paul Huebner, officiated at the funeral service held in the Stone chapel at 2 o'clock Monday afternoon. Many beautiful flowers were brought by friends as tributes to the departed in recognition of the courage and fortitude with which he bore his illness, and as expressions of sympathy for the sorrowing family.

Music for the service was provided by Mrs. Ralph H. Marr and Mrs. Harry Jenison, who sang "Beautiful Isle of Somewhere" and "Nearer My God to Thee," Mrs. Fannie Gay accompanying.

Pallbearers were Lester P. Jones, John E. Engle, Owen E. Atwood, Glenn M. Atwood, Frank C. Buffington and V. Wade Holden.

Interment took place in Bellevue cemetery.

P. J. Brennan, 470 West street, is a patient at the San Antonio Community hospital, he going there for medical attention.

WORLD PRAYER DAY WILL BE OBSERVED

Chaffey Missionary Union To Hold Meeting in Local Church Firday

Annual world day of prayer will be observed on Friday, Feb 28, under the auspices of the Women's Missionary Union of the Chaffey district, it is announced by Mrs. G. A. Hanson, of Upland, president of the union.

The meeting will be held in the Upland Presbyterian church and will open at 2 p. m.

The program, the theme of which is "On Earth Peace, Goodwill Toward Men," has been prepared for the world-wide observance by Senorita Laura H. Jorquera of the Church of the Sevjour in Santiago, Chile.

The speaker of the afternoon will be Mrs. Franklin J. White of Upland, a missionary recently returned from China, where she spent many years in mission work.

In 1920 church women of all denominations in the United States and Canada united in a "day of prayer for missions," and from that time the custom of an annual day of prayer spread until in 1927 the first world day of prayer was observed. And this year, on the first Friday in Lent, there will be continuing prayer in more than 50 countries, the chain encircling the earth.

All interested persons are cordially invited to attend the service here Friday.

Besides Mrs. Hanson, the president, the officers of the local union are Mrs. G. E. Grawburg, Ontario, vice-president; Mrs. K. W. Fuller, Ontario, secretary, and Miss Olive Wood, Ontario, treasurer.

Bible Study Is To Open Lenten Period At Church Meeting

The last week in the life of Jesus will be studied as the Bible lesson at the church family meeting to be held Wednesday evening in the Methodist church, it is announced by the pastor, the Rev. Pauf F. Huebner. This subject is selected as being especially appropriate at the beginning of Lent.

The family contributed dish dinner will be held at 6:30 and there will be singing led by Clifford Jellison.

The Bible study period, led by the pastor, will be from 7:15 to 8 and will be followed by the meeting of the official board.

Citrus Institute Attended by Many

Many citrus growers from the Upland district and throughout the county attended the annual citrus institute in San Bernadino today. The institute is held in conjunction with the National Oange show.

Various phases of the citus industry were on the program to be discussed.

Don't Guess But Know

Whether the "Pain" Remedy You Use is SAFE?

Don't Entrust Your Own or Your Family's Well-Being to Unknown Preparations

THE person to ask whether the preparation you or your family are taking for the relief of headaches is SAFE to use regularly is your family doctor. Ask him particularly about Genuine BAYER ASPIRIN.

He will tell you that *before the discovery* of Bayer Aspirin most "pain" remedies were advised against by physicians as bad for the stomach and, often, for the heart. Which is food for thought if you seek quick, *safe* relief.

Scientists rate Bayer Aspirin among the *fastest methods yet discovered* for the relief of headaches and the pains of rheumatism, neuritis and neuralgia. And the experience of millions of users has proved it *safe* for the average person to use regularly. *In your own interest remember this.*

You can get Genuine Bayer Aspirin at any drug store — simply by asking for it by its full name, BAYER ASPIRIN. Make it a point to do this — and see that you *get* what you want.

Girl Scout Poster Contest, Training Course Announced

Announcement has just been made by members of the Girl Scouts publicity committee that they will sponsor a poster contest for the twenty-fourth anniversary of Girl Scoutinng in the United States during the week of March 12 to 18. Notices have been sent to every captain regarding the rules and regulations of the contest. Three prizes will be awarded to the individuals having made the best posters. "It is the hope of the committee that every troop will enter at least one poster," said Mrs. Arthur Flum, chairman of the committee. The posters are to be brought to the Girl Scout office by March 6 and every Girl Scout is invited to participate. The winning posters will be displayed in store windows and other better ones in libraries, etc. The posters will be on exhibit at the regular meeting of the board on March 9.

Training Course Announced

The Girl Scout office announces that two training courses are to commence the first of March. On March 4 and 11 from 1 until 3 o'clock in the afternoon, special training will be given to council members at the Upland Scout house. Commencing March 4 and running for eight weeks, a general elementary course will be given each Wednesday morning from 9 until 11, at the Upland Scout house. Any persons who are interested in knowing more about Girl Scouting are invited to attend. Further information will be given them if they call the office. These courses will be given by Miss Helen Gillard, local director.

M. E. Gilbert Assumes New P. E. Duties Here

M. E. Gilbert is today in charge of the Upland station of the Pacific Electric. He assumed his new duties yesterday, coming here from El Monte.

Until suitable housing facilities can be obtained here Mr. Gilbert's family will continue to reside in El Monte, he going back and forth. Mr. Gilbert succeeds Clyde Whiteley, who has been transferred to Monrovia.

CHAFFEY, REDLANDS CLASH FOR TITLE

Tigers Play on Foreign Court And Victory Needed to Win Honors

If Chaffey high school defeats Redlands Friday night, the Tigers will be in the play off series for the Southern California basketball championship.

Pomona was eliminated in the title race by losing to Redlands last week. The Tigers and Redlands are tied.

Chaffey will be at a decided disadvantage in the crucial game. Redlands' court is smaller than the Chaffey floor and it takes a mighty exceptional team to pull out victorious. In past years, however, Chaffey has won the C. B. L. title from Redlands by the margin of one game and indications point to Karl Kaiser's men being groomed sufficiently for the test to cop the title.

The game Friday will have to be in direct contrast with style of play the Tigers showed in defeating San Bernardino last week. In that game the playing was listless on both teams.

A Chaffey defeat Friday will mark the end of the Tiger hoop schedule and a Tiger victory will pit Chaffey against the winner of some other league.

ETIWANDA

ETIWANDA, Feb. 25. — Etiwanda citrus growers took a number of substantial prizes at the National Orange show, including a number won by the Etiwanda Service club and several by individual growers. The Service club took first on best 4 boxes of sweets, first on best 4 boxes of seedlings, third on best commercial pack in one box Washington navels, third on best tray of 12 Washington navels, third on artistic rack display of lemons, 4 boxes or more, and third on best commercial pack one box of lemons. O. H. Price took growers sweepstakes on 24 boxes lemons entered by grower, and third on best 8 boxes Washington navels entered by grower. N. D. Hickcox took first on best 8 boxes lemons entered by grower and R. S. Jones took second place in same class. Many local people are attending the show.

The missionary study class of the Ladies Aid society met at the home of Mrs. Chas. Donnelly on Thursday afternoon and this week's class is announced for Thursday afternoon at the home of Mrs. John Scott.

Jim Dooley of Los Angeles was a week end guest of his uncle and aunt, Judge and Mrs. Thomas Donnelly, and attended the Orange show Saturday.

Mr and Mrs. Sylvanus Kemp and Mrs. Mary W. Kemp entertained at dinner Sunday Mr. and Mrs. Russell Crews and little daughter. Mr. Crews and family have spent several weeks with his parents, Mr. and Mrs. John Crews, while Russell was convalescing from an appendicitis operation and they are now returning to their home in Riverside.

Miss Rowe Rader of Westwood was a week end guest of her aunt, Mrs. Chas. Donnelly, and family.

Miss Marjorie Baker of Los Angeles spent Sunday with Dorothy Donnelly.

Miss Katherine Poyntz and a party of friends from Santa Barbara called on her uncle and aunt, Mr and Mrs. Wm. McClean, Sunday.

Miss Opal Garber, Girl Scout leader, and Miss Sarah McClure, lieutenant, entertained the troop with a Washington birthday party at the home of Mr. and Mrs. Howard Frost Friday evening. Eleven girls attended and they enjoyed an evening of indoor and outdoor games, and were served punch and cup cakes, with tiny United States flags as favors.

Sons of Veterans Will Hold Public Patriotic Meeting

With members of all other patriotic orders invited to attend, the annual patriotic meeting to be held tonight in the Ontario American Legion hall by Alois Podrasnik camp, Sons of Veterans, is expected to draw a large attendance.

A special program has been prepared by the commander, Leslie Strawn, and an interesting meeting is assured.

Preceding the meeting of the Sons, the Woman's Auxiliary to the Sons will hold a brief session, beginning at 7 o'clock, it is announced by Mrs. Leslie Strawn, president of the Auxiliary.

The "Haitch"

"What a big family you have, Mrs. Jones," said the visitor.

"Yes'm. And the funny thing is that all the names begin with a haitch. There's 'Orace, 'Erbert, 'Enry, 'Ugh, 'Arold, 'Arriet and 'Etty—all except the last one, and we 'ad 'er named Hallice."—Beehive.

ALTA LOMA-CUCAMONGA

Arts and Crafts Discussed

Presenting a unique and unusually interesting address, Mrs. Frederick Schwartz of Monrovia, state chairman of arts and crafts for the California Federation of Woman's clubs, was the speaker at the regular meeting of the Cucamonga-Alta Loma Woman's club held on a recent afternoon at the home of Mrs. E. R. Hively, 641 North Ramona avenue, with Mrs. Hively and Mrs. Herbert Powelson being co-hostesses.

The routine business meeting was conducted by the club president, Mrs. L. J. Thomas, with the usual opening ceremony being followed. Plans were made by the club for a visit to the planetarium in Los Angeles, this special event to take the place of a regular meeting. Time for the trip was not definitely set, since it will depend largely upon the weather.

Mrs. Thomas announced that the next meeting of the club, on Thursday, March 5, will be held at the home of Miss Mina Ruesink, 239 West Ninth street, Upland, and the speaker will be Miss Lela McClelland, Chaffey art teacher, who will tell of various incidents and experiences encountered on her voyage to the Orient.

Opening the afternoon's program, Mrs. William Rogers (Dorothy H. Kent) of Pomona sang a group of beautiful selections, Mrs. Francis S. Wagner accompanying at the piano.

Speaking first on the wonders of the human hand and the creative skill contained in nimble fingers. Mrs. Schwartz told of the increased poise and contentment gained by women who devote part of their leisure time to creating beautiful handiwork.

Modern labor-saving devices, she said, have increased the average housewife's leisure, and she told of many kinds of hand work that may be done in the home.

Mrs. Schwartz exhibited samples of handsomely tooled leather and linoleum, batic silks, hand painted Christmas cards, and many other articles.

The program was followed by an enjoyable tea hour, the hostesses being assisted in serving by Miss Wava Hively and Mrs. Harold Hively.

Two special guests at the meeting were Dr. Viola Wanger of Upland, president of the Poets club, and Mrs. Elmer J. France, also of Upland.

Central School Re-Opens

With the prevalence of severe colds and influenza considerably abated, the Cucamonga Central school opened Monday morning after having been closed since last Tuesday. Miss Janet Hay, member of the faculty, also suffered with a several days attack of influenza. Less than a dozen pupils were absent Monday and Kenneth Deardorff, principal of the school, stated he expects the attendance to be normal again within a few days.

Plan Oriental Opera

The faculty and pupils of Central school are preparing to begin practice on their annual spring entertainment, an Oriental operetta, "Magic Ruby," All grades in the school will be represented in the large cast and many elaborate costumes and settings will be used. Each member of the faculty has been allotted definite tasks in the preparation and direction of the play, and an excellent production is expected.

The exact time for the presentation of the operetta has not been decided, but probably will be in about six weeks.

Citrus Production In 1936 May Equal 1932-33 Harvest

Citrus production in California this year, based on present estimates, may run rather closely to the production figures of the crops harvested during the marketing period of 1932-33, a report released today indicated.

Total citrus production in the state for the 1935-36 crops now being harvested is estimated at 34,392,000 equivalent packed boxes, compared with 46,086,000 boxes in 1934-35, 28,438,000 in 1933-34, and 34,265,000 produced in 1932-33.

California Navel and miscellaneous orange production 1935-36 is estimated at 14,348,000 boxes, compared with 18,990,000 boxes produced last year.

Attaining an age at which he is permitted to receive guests, young Daniel Noel League, Jr., son of Mr. and Mrs. Daniel Noel League (Virginia Scheu), is the center of attraction for all friends who call at the home of his grandparents, Mr. and Mrs. W. C. Scheu, 1894 Euclid avenue. The husky youngster was just one month old on Washington's birthday, having been born on Jan. 22. He weighed 8 pounds and 10 ounces at birth. His paternal grandparents are Mr. and Mrs. D. A. League of Wetmore, Kan.

Police Blotter

Summary of Activities Gleaned From Police, Judge Reports Here

Among the auto accident victims in the district over the week end are W. L. Wylie, San Francisco banker, hurt when the car in which he was riding crashed into a tree on Riverside drive east of Ontario. He was cut about the lips. He was asleep in the rear seat and when the impact occurred he was lunged against an ash tray.

Mr. and Mrs. John B. Gray, Indio, were hurt in an accident at A street and Central avenue early Sunday morning, when their car hit a tree, the machine being forced to the side of the road by a "cut in" driver.

H. L. Summerfield, Upland, was fined $25 in the Cucamonga justice court on a charge of reckless driving. A former charge of "hit and run" driving was dropped and the reckless driving charge substituted.

John L. Gibbs, charged with failure to provide, is to have a preliminary hearing before Judge Fred H. Jacobs March 3. Pending the hearing he is in the county jail. He was arraigned before the judge yesterday.

Business Men's Meeting Is Featured by Talks on City and Citrus

(Continued from Page One)

was named chairman of a committee to plan for a spring opening. Discussion concerned the possibility of getting more houses erected in Upland. The group went on recording urging the Santa Fe to construct a new depot in Upland.

Mayor P. H. McQuillen spoke of the untiring efforts of Mr. Manley in supervising the vast WPA program for Upland. He also spoke of the proposed park development. He was emphatic in cautioning the group and the public not to expect a fully developed park for many years, pointing out that it takes time to develop trees and shrubs. Of first importance is the adoption of a master plan for the park development that will eventually give the city a beautiful and serviceable area, he said.

Mr. Manley's chart showing status of the WPA projects was divided into three divisions. One division concerned the projects underway and for which money has been allotted. Most of those in this division were the various water and sewer pipe installations in the new annexation district and elsewhere in the city. To finish these projects on time at least 1000 men should be working, but less than 600 are available, Mr. Manley said.

Another division in the chart concerned the projects that have presidential approval. Included in these are the proposed construction of the community recreational building and the South Euclid avenue sprinkling system. "Projects submitted" was the heading on the third division and in this group are more flood control proposals.

Allee Will Operate Transfer Line From Upland to Camp Baldy

Steve D. Allee has made special arrangements to operate the truck and passenger service formerly given by the San Antonio Transfer Co. He will make trips to Camp Baldy. Mrs. Ruth Curry Burns has operated the company for many years.

Mr. Allee will leave Upland at 10:30 a. m. and arrive at the resort at 11 a. m He will leave on the return trip at 11:30 a. m. and arrive at noon. This service will be maintained during eight months of the year on Tuesdays, Thursdays and Saturdays. During the four other months, late spring and summer, he will make the trip every day except Sunday.

Red Hill Estates Approved by FHA

At the request of H. F. Naisbitt, local realtor, who has charge of Red Hill Estates, adjoining Red Hill Country club, Fred Marlow, head of the Federal Housing Administration for this district, was out Saturday to look over the local subdivision and pass judgment as to FHA financing the building of homes there.

Not only did Mr. Marlow give his unqualified approval, said Mr. Naisbitt, but he was most enthusiastic about the property and pronounced it one of the finest subdivisions in Southern California. Those wishing to buy lots and build homes on Red Hill are now assured they can be financed to the extent of 80 per cent of the value of the site and building.

The proper treatment for a bilious child

THREE STEPS TO RELIEVING CONSTIPATION

A cleansing dose today; a smaller quantity tomorrow; less each time, until bowels need no help at all.

ANY mother knows the reason when her child stops playing, eats little, is hard to manage. *Constipation.* But what a pity so few know the sensible way to set things right!

The ordinary laxatives, of even ordinary strength, destroy all hopes of restoring regularity.

A liquid laxative is the answer, mothers. The answer to all your worries over constipation. A liquid can be *measured.* The dose can be exactly suited to any age or need. Just reduce the dose each time, until the bowels are moving of their own accord and need no help.

This treatment will succeed with any child *and with any adult.*

Doctors use a liquid laxative. Hospitals use the liquid form. If it is best for their use, it is best for home use. The liquid laxative they generally use is Dr. Caldwell's Syrup Pepsin. Any druggist has it.

Rid Yourself of Kidney Poisons

DO you suffer burning, scanty or too frequent urination, backache, headache, dizziness, loss of energy, leg pains, swellings and puffiness under the eyes? Are you tired, nervous—feel all unstrung and don't know what is wrong?

Then give some thought to your kidneys. Be sure they function properly for functional kidney disorder permits excess waste to stay in the blood, and to poison and upset the whole system.

Use Doan's Pills. Doan's are for the kidneys only. They are recommended the world over. You can get the genuine, time-tested Doan's at any drug store.
